File No.

Serial No.

From

The Secy Cuddr & Pt St Board
Chidambg.

Forwards Plan and estimates for the construction of a Town Hall at Harihar at a total cost of Rs 8500 the cost being met as suggested.

Points for orders are

(i) Contributions to be paid by

(a) Harihar M.C. Rs 2,000.

(b) ... Taluk Board Rs 2,000

(c) Chidambg. St Board ... 1500

Total Rs 5500

which together with Rs 1500 from public subscriptions comes up to Rs 7000

(ii) The balance viz Rs 1500 to be paid from State Funds during 1926-27, as State grant

2

As the ~~chimney~~ estimate is for Rs 8500 the Chief Engineer may be also consulted.

22/9/26

The Secy Contributions proposed by the Taluk Board are sanctioned, the Hospl Committee may meet the fourth required from public to the extent of Rs 1500. from the sum of Rs 10000/- placed at his disposal out of the

Town Supt Grant The D.C. may be also asked to get the plan ascertained by the Chief Engr. before starting the scheme. This is prepared by the Ex. Engr.

(A.) maybe do

1st inst.

The Chief Engr may be requested to plan & Estimate. & Contributions from Local Bodies Sanad after the grading & one coat under the supervision of Engr & Supt local Bds. & Govt. they have the funds. Contn from Govt is now for D.C. to settle.

23/9/21

Returned. with compliments to the Secretary to Government, Local and Legislative Departments-

The estimate for the work as scrutinised with the plan for the proposed building comes to Rs.9,000 against Rs.8,500 as submitted by the - - - President of the District Board. The difference in the amounts is due to the height of walls ---- being increased by one foot and to provision of - cill and lintel slabs to windows and ventilators-

The site plan for the proposed building is not received. Whether the building is to be --- constructed on Government land or private land is therefore not known; if land has to be acquired, provision has to be made for compensation-

No mention has been made as to the Depart ment that should undertake the work. If the work has to be undertaken by the Public Works Depart- ment, an additional provision of Rs. 945 has to be made towards "Establishment" and "Tools and --- Plant" charges-

2-12-26

CHIEF ENGINEER OF MYSORE

Demand Interview slip 11

Construction of a Town Hall - Kaiserslautern

Mr Dyer has forwarded an estimate for Rs 83500. Mr Chief Engineer has revised the estimate for Rs 75000. The estimate as revised by the Chief Engineer has perhaps to be approved. The Compensation for land is to be paid first by the addl Dist Magistrate as noted by the Chief Engr. This will also be pointed out

The Contribution by Mr Ld may perhaps be sanctioned. As regards Local Rds, the Minutes has ordered in para 5 of the note that Contributions may be sanctioned after meeting some that under the circumstances subject existing limitations & so far local Govt respectively there will be found

In fact Contribution the Minutes was ordered other than this is given DC to settle

The suggestion of Local Govt Dist Bd may perhaps be enforced accordingly

SECRETARY TO THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE,

LOCAL AND LEGISLATIVE DEPARTMENT,

BANGALORE.

Ld 70-26—

I have the honor to state that the leading gentlemen of the Harihar Town conceived the idea of erecting a Town Hall at Harihar so far back as 1915 proposing to meet the cost of the work by means of public subscriptions and formed themselves into a committee to collect necessary funds In spite of the best efforts of the committee, only a sum of Rs. 723-15-9 was collected on this account and the same was invested in the Government Savings Bank in the Davangere Taluk Treasury, the amount inclusive of interests realised thereon coming up to Rs. 1,500 at present. A Town Hall at Harihar is a great desideratum, proper accommodation for the location of a Library and Reading Room the Municipal office and Bench Court and for lectures and other public meetings is urgently required. A Town Hall satisfying the above needs was roughly estimated to cost Rs. 9,000. The ways and means for finding funds for the building were discussed at several conferences. As the Town Hall committee was able to raise only Rs. 1,500 by way of subscriptions, it was proposed that the balance of Rs. 7,500 may be contributed by the local bodies in the District as well as Government. The matter having come up before the Local Municipal Council, Harihar Taluk Board and the District Board they have agreed to contribute an aggregate sum of Rs. 5,500 from their funds as detailed in the margin, proposing that Government may be requested to make a grant of Rs. 2,000 from State funds to make up the total cost of the work (wide copies of th

Date.....
SHIMOGA CIRCLE

The enclosed design for a Town Hall has been prepared in accordance with the above reference. It provides sufficient accommodation for (a) a Reading room and Library, (b) Municipal Office and Staff and (c) Bench Court and its staff.

The Bench Court will be held in the main hall usually. This may in addition provide accommodation for the Municipal and other public meetings. It is sufficiently large for accommodating about 80 people.

The building is a commodious and substantial one, with concrete and stone in chunam for foundation and basement, burnt brick in chunam for superstructure, teak wood work for doors, windows, rafters etc, Kadapa slab and Mangalore tiles flooring over concrete, Roofing will also be of 1st class Managlore tiles on teak reapers. The other minor items call for no special remarks.

The building has a plinth area of 1,740 sq.ft. and cost Rs 8500 working at a rate of Rs 4-14-0 per sq.ft The usual rates are provided and the estimate cannot be curtailed in any way, without prejudice, either to the accommodation or its substantial nature.

A. Jamdagni 17.6.26
Executive Engineer,
Chitaldrug Division.

R e a d

Letter No.641 dated 16th September 1926 from the Deputy Commissioner and President, District Board, Chitaldrug District, forwarding for sanction plan and estimates prepared by the Executive Engineer, Chitaldrug Division for the construction of a Town Hall at Harihar at a total cost of Rs.8,500/- he cost being met as suggested by him

U.O.No.31 P.W.D. dated 3rd December 1926 from the Chief Engineer of Mysore stating that the estimate for the work as scrutinised with the plan for the proposed Town hall amounts to Rs.9,000 against Rs.8,500/- that the difference in amount is due to the height of walls being increased by 1 foot and to provision of cill and lintel slabs to windows and ventillators: that the site plan for the proposed building is not received whether the building is to be constructed on Government land or private land ~~is therefor~~ that if land has to be acquired provision has to be made for compensation and also that if the work has to be undertaken by the P.W.D. an additional provision of Rs.945/- has to be made towards "Establishment" and " Tools and Plant " charges.

Provision for tools and plant charges amounting to Rs.945/- will also have to be added to the estimate if the work is to be executed by the P.W.D. The agency for the construction has not been specified and as the estimate is large enough for execution by the D.P.W.Agency the Deputy Commissioner is requested to get the work executed by the D.P.W. and the work in this case will cost about Rs.10,000.

A sum of Rs.1,500/- is available by public subscription as now reported and the balance will have now to be found. The Superintendent of the District Board recommends sanction to the grant of contributions amounting to Rs.3,500/- from the District Board, Taluk Board, and Municipal Council as noted in the margin.

The contribution of Rs.2,000/- by the Harihar Municipal Council is sanctioned. As to the contributions ~~of Rs.1,000/- by the Hiriyur Taluk~~ by the Chitaldrug Taluk Board ~~Board~~ and the Taluk Board, Government accord sanction ~~to~~ subject to the condition that the District Board should make sure that under the revised budget omitting rebates and 50 percent local cess, respectively, there will be funds to meet the expenditure in question. As for Government contribution, Government observe that this is now for the Deputy Commissioner to settle.
